

BELMONT LAND USE OFFICE

TO: Belmont Business Owners
FROM: Belmont Planning Board

The Belmont Planning Board periodically provides information and updates to our local businesses as part of our business initiatives. We wish you a successful upcoming season and encourage you to contact our Land Use Staff if there is any way in which we can provide you with additional information or assistance.

Belmont "Business" Website

Be sure to check out the "*Doing Business*" link on the homepage of the Town's new Website at www.belmontnh.org for easy access to local business information.

WorkWISE NH

Provides free, on-site occupational safety and health consultation services to eligible employers. Although these services are primarily targeted to small businesses, the program welcomes the opportunity to assist employers of any size. Whether an employer has a question about the safe use of a specific piece of equipment or is looking to establish a workplace safety program, consultants are available to provide employers with such assistance.

To be eligible for the WorkWISE NH consultation service, businesses must:

- Be located in New Hampshire
- Be privately owned
- Have 250 or fewer employees at one site and fewer than 500 employees in total

NH Business Resource Center

The mission of the Business Resource Center is twofold:

- to retain and help expand existing New Hampshire businesses.
- to attract new companies to our great state.

Let your business take advantage of a valuable resource. It's easier to get funds for training than you may think! The Workforce Development Training Fund (WDTF) is designed to help companies of all sizes become more competitive by providing funds to create a highly-skilled workforce.

Timely Reminders & Community Newsletter and Calendar

Check out the [Timely Reminders](#) brochure and monthly [Community Newsletter and Calendar](#). Both can be accessed from our homepage. **Reminders** is all about *who we are, who to call and when we're open*. Great info to receive convenient services from the Town. The **Newsletter** contains timely information and reminders as well as notice of upcoming Town events and deadlines.

Belmont Business Index

If you are not already included, now is a great time to send in your information so that you may join many businesses in the community that enjoy this free and effective way to reach local customers. The list is published on our website and available in the Land Use Office at the Town Hall.

If you already participate please update your information and return it to our office so that we can be sure our records are current. We have many requests for the list and hope that our local companies enjoy added business from this opportunity. Forms are available at www.belmontnh.org/docs/Businesses/BusQues.pdf and in the Land Use Office.

NH Small Business Technical Assistance Program

The Small Business Technical Assistance Program (SBTAP) was established by the New Hampshire Department of Environmental Services in 1992 to provide small business owners and operators a free assistance program to assist them in understanding and complying with environmental regulations. This non-regulatory program provides confidential information about regulatory requirements and practical, cost-effective technical assistance to encourage compliance with environmental regulations.
