## Belmont Old Home Day Celebration

By Tina Fleming, Event Coordinator

Mark your calendar for Saturday, August 11. Belmont Old Day has returned to the second Saturday in August and will bring old favorites and a few new surprises. Due to the construction in the downtown area daytime events have been moved to Belmont High School this year. The Old Home Day Committee is excited to work cooperatively with the Shaker Regional School District in utilizing this beautiful facility. The theme of "Celebrating Our Community" starts there. The day will kick off with a breakfast by the First Baptist Church at 7 a.m.

The annual 10 mile run will still start at Belmont Middle School, but the Fun Run will take off at 9:30 a.m. along the beautiful cross country trail at the high school. The children's games will start off at 10:30 a.m. with the Pedal Tractor Pull, a crowd pleaser for sure.

Things start to really heat up at 10:30 a.m. when the Moulton Sanbornton Band performs. At 11 a.m. the Granite State Disc Dogs show off their high flying acrobatics. Bring a lawn chair to enjoy the smooth country tunes of the Jandee Lee Porter Band from 11 a.m.-1 p.m. on the soccer field. Due to the venue change there will be a Children's Parade instead of our typical large parade at 1 p.m. We encourage children to decorate their bikes, fill a wagon, dress as a group, form a marching kazoo band or whatever they choose, to march through a surely captive crowd of onlookers.

The day is not nearly over even after the parade. There is still the Belmont High School Band to enjoy and the "Community Showcase" which will begin at 1:30 p.m. Belmont is full of talent and the crowd is going to love the groups assembled to show us their talent. The Winnepesaukee Squares are going to kick up their heels and hopefully teach us a thing or two about their dance moves. The East Athletic Cheerleaders are then going to show off their dance and acrobatic skills.

All day you can check out our vendors. Old Home Day is a large fundraiser for many non-profit local organizations. There will be sausage subs, fried dough, lemonade, sandwiches, cotton candy, ice cream and more! Local crafters and artisans will have goods for sale and there will be community information booths as well. You can walk off the great food by checking out the trails of the Town Forest which run just behind the high school.

The activities for Old Home Day will continue into the evening with a Chicken BBQ at the Belmont Fire Department at 5 p.m. The evening entertainment will be at Bryant Field. Starting at 6 p.m. you can try your skills at climbing a rock wall or even bungee jump. Starting at 7.p.m. the national recording artists Eric Grant Band will entertain the crowd. The evening will come to an end with the spectacular fireworks display sponsored by Atlas Pyro Vision.

Old Home Day is a day of celebration of our great community. We come together to recognize our community achievements. This may be a year of change, but it will still have traditional and new opportunities for all to enjoy. I hope to see everyone on Saturday, August 11 in "Celebrating our Community".

For a full schedule of events, Children's Parade entry form, vendor forms and Community Showcase entry forms go to [www.belmontnh.org](http://www.belmontnh.org)

## Building Code/Enforcement

During the summer everyone is out and about; working, playing and just enjoying the wonderful New Hampshire weather and natural environment.

However, summertime also brings a significant increase in the number of complaints received by the Code Enforcement Office. These complaints include issues related to public health, the environment, aesthetics and code compliance.

Anyone having such a complaint may contact the Code Enforcement Office at 267-8300 x 11 to discuss the matter. However, to submit a formal complaint upon which the Town may act, the complaint must be submitted in writing and signed by the complainant. This requirement protects the complainant, the Town and the person against whom the complaint is being made by recording and having available a true and complete record of the actual complaint.

Complaint forms may be obtained in the Land Use Office or at <http://www.belmontnh.org/docs/ords&apps/complaint.PDF>.

It is often a difficult decision to sign a complaint against a neighbor, local business or other property owner. We encourage complainants to discuss the matter with the party responsible if at all possible. Often that person may be unaware and the issue may be resolved.

Prior to filing a complaint, speak with the Code Enforcement Officer to find out whether the issue is one over which the Town has jurisdiction. Many times the Town either does not have statutory jurisdiction or the Voters have chosen not to regulate the issue, i.e. fences, aesthetics. Other issues may be civil in nature, in which case the complainant would be required to take action through the court system.

Written complaints submitted to the Code Enforcement Office are logged, dated and provided to the Code Enforcement Officer for review. The information submitted should be thorough and include specifics such as location, times, dates and pictures if possible. As a result of the review, appropriate action will be taken based on:

- Whether the Town or another agency has jurisdiction
- What local Ordinances, Codes or Regulations apply
- The urgency of the issue based on Public Health & Safety
- Available resources

# Land Use News

## **Planning Board:**

The Planning Board has begun the annual review and update of the Capital Improvements Program (CIP) which is a multi-year schedule for capital expenditures defined as projects costing in excess of \$25,000 with a useful life of at least one year. The CIP, originally adopted in 2004, is updated annually in response to the actual budget appropriated by the voters at the previous Town Meeting and requests for new or amended capital projects for the upcoming six years. During this annual update the Board will review capital requests from municipal departments. Members of the public are also invited to suggest needed projects by submitting a completed CIP Funding Request Form which can be obtained in the Belmont Land Use Office at the Town Hall or at

[http://www.belmontnh.org/data\\_cip.asp](http://www.belmontnh.org/data_cip.asp). The Planning Board will schedule a public hearing and once adopted the CIP is provided to the Selectmen and Budget Committee for their consideration during the upcoming 2013 budget season. The CIP is a budgeting tool linking Community Vision from the Master Plan with the implementation of capital projects. The CIP assists the Selectmen and Budget Committee in developing and presenting to the voters an overall budget which avoids unanticipated expenditures by scheduling capital projects over the term of the CIP. Historic and projected trends in revenues, expenditures and growth are evaluated along with the community's ability to fund the cost of improvements. The projects are prioritized over the term of the 6-year plan resulting in a more level tax rate impact. CIP Funding Request Forms with all supporting data to be considered can be submitted to the Land Use Office no later than August 18<sup>th</sup>. CIP information is available in the Land Use Office ([landuse@belmontnh.org](mailto:landuse@belmontnh.org) or 267-8300x19) and in the Data Center at [www.belmontnh.org](http://www.belmontnh.org).

## **Learn More/Be Safe:**

NH DES urges homeowners to test their well water to ensure their drinking water is clean and safe for consumption. Nearly 40 percent of New Hampshire residents get their drinking water from domestic (private) wells, which are not subject to the same water quality testing regulations as public water systems and the number of untested wells in New Hampshire remains high. In New Hampshire, one in five private wells exceeds the federal health-based drinking water standard for arsenic, 10 parts per billion.

Testing the quality of well water is simple and relatively inexpensive. NH DES recommends testing private well water annually for nitrates and bacteria, while other contaminants should be tested for every three to five years; testing when moving or buying property is also a good idea. See the NH DES private well testing brochure at <http://m1e.net/c?63106552-BRAvVn8I7N5Zg%407308524-EEsZ8b4VbNIF%2e>. Water testing containers are also available from DES. For other information, please contact the Drinking Water and Groundwater Bureau at (603) 271-2513 or [dwgbinfo@des.nh.gov](mailto:dwgbinfo@des.nh.gov) or visit [www.des.nh.gov](http://www.des.nh.gov), click on A-Z List and choose Drinking Water and Groundwater Bureau. All of the bureau's fact sheets are on-line at <http://des.nh.gov/organization/commissioner/pip/factsheets/dwgb/index.htm>.

Visit our Learn More/Be Safe webpage (<http://www.belmontnh.org/learnhow.asp>) for other health and safety information.

# Fire Department

Remember to check your 911 addressing on your home or business!  
If we can't find you we can't help you!

As the dog days of summer approach people will be spending more time boating on our beautiful local lakes. Please take a few minutes to review some important safety tips the Belmont Fire Department would like you all to keep in mind so that we can all have a pleasant summer.

Remember to always wear your life jacket and designate a sober skipper!

**Know fuel tank capacity:** To prevent overfilling, boaters should know their vessel's precise fuel capacity. This basic information is critical to a safe fill-up

Boating in an unfamiliar area, whether on a fishing trip or vacation, is much safer and more pleasurable if you can take advantage of dependable, local knowledge

A personal watercraft is a powerboat, not a toy. If you operate one, you are the captain with all the same responsibilities for knowing and obeying boating regulations.

Know your abilities and those of your paddling partners and don't get in over your head

Visit the United States Coast Guard Boating Safety Resource Center web page at <http://www.uscgboating.org/> for additional safety tips.

"There's a time each year  
That we always hold dear,  
Good old summer time;  
With the birds and the trees' es  
And sweet scented breezes,  
Good old summer time,  
When you day's work is over  
Then you are in clover,  
And life is one beautiful rhyme,  
No trouble annoying,  
Each one is enjoying,  
The good old summer time."

# Public Library

## Fun! Fun! Fun! In the Summer Time!!

Looking for something to do with the kids during these last few weeks of summer vacation? The Library can help!!

On Thursday, August 2<sup>nd</sup> at 2 p.m. there will be an **origami workshop** for kids 7 to 12 years of age. We will be folding night creatures. Interested? Sign up quickly as there are limited spaces open.

On Thursday, August 9<sup>th</sup> at 2 p.m. we will offer a second **Fairy House Building** activity. Call the Library to check availability for space.

Lego Club is held on Saturday, August 5<sup>th</sup> at 10:30 a.m. No registration is necessary. Come and have a good time building with Legos!

At 3 p.m. on Monday, August 13<sup>th</sup> kids 7 years old and up are invited to **Make a Dreamcatcher** at the Library. Don't miss out - sign up early and enjoy this craft!

**Up All Night in New Hampshire**, a program of the Children's Museum of New Hampshire, will be

presented on Wednesday, August 15<sup>th</sup> at 10:30 a.m. as part of our regular family story times. The program will focus on nocturnal animals found in NH, their physical adaptations, homes and behaviours that make them well-suited for "night life". A museum educator will lead children as they study specimens owl talons, examine animal tracks, experiment with night vision, explore animal hearing and listen to night sounds, smell scents from nature, dissect owl pellets and create an Artsy Owl. This program is designed for children ages 4-9 and is

one hour long.

Don't forget that the Library offers passes for area attractions. With your library card, you can borrow a pass for free admission to the Currier Museum to view great art, the McAuliffe-Shepard Discovery Center to do some stargazing, and the Squam Lakes Natural Science Center to visit New Hampshire wildlife.

If you need some beach reading, visit our book sale on Belmont Old Home Day. We will be open from 9 to 1 with some great books for sale at giveaway prices!!! So enjoy the rest of summer and let the Library help!

Remember to check our web page ([www.belmontpubliclibrary.org](http://www.belmontpubliclibrary.org)) for a listing of all events and new materials!

Town Administrator's  
Monthly Report  
August 2012

We are pleased to announce that Busby Construction of Atkinson, New Hampshire has been chosen as the contractor on the Village Revitalization Project for a total bid of \$1,312,484.05. Work should begin very soon in the downtown. The Board of Selectmen will be holding an informational session within the next few weeks to inform residents and businesses of the project timeline. We have worked with Busby in the past on other Town projects and look forward to working with them on this exciting project.

In addition to the Revitalization project, the Board of Selectmen recently awarded conditional approval of the Sewer Pump Station Project to PRB Construction of Gilford, New Hampshire for a total bid of \$1,022,650.

**SPECIAL TOWN MEETING  
ANNOUNCEMENT**

The Town will be holding a Special Town Meeting on Tuesday, August 21, 2012 beginning at 11:00 am to 7:00 pm in the Cafeteria of the Belmont High School. The purpose of the Special Town Meeting will be to ask the voters to support the purchase of the property at 154 Main Street currently owned by William and Carolyn McDonough for a not to exceed purchase price of \$250,000. Funds are available in the Municipal Facilities Capital Reserve Fund for this purpose; the current balance in this fund is \$389,322.92. No appropriation is needed to purchase the building. At the Special Town Meeting voters will also be asked to close a portion of Mill Street. Mill Street will be relocated as part of the Revitalization project so the closure of the section between the Library and the former Northway Bank building is proposed to be closed and will become added green space in the Village as well as the new home to the Bandstand. We hope you will attend the upcoming meeting and voice your support for efforts to revitalize our Village. Following is the proposed warrant for the meeting:

**Article #1:** To see if the Town will vote to discontinue completely, a portion of Mill Street, so-called, in Belmont Village with the title in the land to revert to the abutting properties. The portion to be discontinued is that which runs between Main Street, so-called, in a generally east-west direction between land now or formerly of McDonough and land of the Town of Belmont to a line 40 feet offset of the centerline of the reconstructed Mill Street. This discontinuance shall take effect upon the Board of Selectmen deeming the reconstruction of Mill Street to the north and west of the Town Library and Bandstand to be completed.

**Article #2:** To see if the Town will vote to authorize the Board of Selectmen to purchase certain real property at 154 Main Street, Belmont, identified in the town's records as Tax Map 122, Lot 008, now owned by William and Carolyn McDonough, for the use of the town at a purchase price not to exceed \$250,000. The Selectmen have sufficient funds legally available to be expended to purchase the property, so no appropriation is required.

In addition to numerous projects going on in Belmont, our Department Heads have begun working on their Capital Improvement Plan submissions and budget worksheets will soon be distributed. Also during the month of August we compile the necessary documents for submission to the State of New Hampshire Department of Revenue Administration so that our tax rate can be set by late September and bills can go out mid- to late October.

The Town of Belmont is a member of the Lakes Region Cable Television Consortium which has been meeting since early summer 2011 relative to our Cable TV Franchise Agreement with Metrocast which is due to expire in December 2013. We have been meeting monthly and Consortium minutes are available on the Town's website, [www.belmontnh.org](http://www.belmontnh.org). As more information becomes available it will be posted to the site. Please send any comments regarding the renewal process to [jbeaudin@belmontnh.org](mailto:jbeaudin@belmontnh.org).

We would like to remind residents/taxpayers that recycling bins are available at Town Hall so if you haven't picked up your bins (2 per household), please stop by and see Tracey Russo.

# Belmont Parks & Recreation Sargent Park Night

# Parks and Recreation

The beginning of August also means the end of the Belmont Parks & Recreation Summer Camp which is sad for all of our staff. We really enjoy our summers with all the campers and when the 6 week program wraps up on August 3<sup>rd</sup> we are all a little sad. This summer we had great weather which really helps with our outdoor trips to amusement parks and the beach. Our program has been very fortunate to hire some wonderful staff with Chris Brace, Alex Conway, Annie Roberts, Lindsay Tebbetts, Julia Kaufman, and Courtney Knowles returning this year as counselors. Lindsey Nelson and Alex Bordeau have been great additions to the staff this summer. Liz Brulotte our Camp Director again worked out a great daily schedule for the campers with a great deal of assistance from Assistant Director Lori Kjellander. Both Liz and Lori start working in May lining up crafts, games and other activities to make a day at camp fun filled. The camp calls the Belmont Middle School home but you will often see the campers at Sargent Park on Monday and Friday mornings playing soccer, tennis, basketball, skateboarding, or on the playground. The group travels to the Belmont Town Beach on Tuesdays and Thursdays where they swim or play in the sand for the day. Step carefully when you visit as occasionally they partially bury a counselor! Wednesday is the day all the campers look forward to as we travel to an amusement, this summer we have visited Clarks Trading Post, Montshire Museum, Whales Tale Waterpark, Wallis Sands Beach, the Flume, Cannon Mountain Tramway, and our trip this week is to Canobie Lake Park. Weather permitting our last day of camp will be at Sargent Park with a cookout, t

Thanks to Chef Scott Brulotte. Parents are invited to join their children for lunch and to play a game or make a craft too. We end the day with SEE YOU NEXT YEAR and we start planning for 2013!

Old Home Day Committee would like you to know they still have opportunities for fundraising by non-profits and openings in the Community Showcase. Come join the fun!

Don't forget the fabulous Chicken BBQ hosted every year by none other than our own Fire Fighters. Held at the Station on Route 140 and served with sides of Potato Salad and Cole Slaw. Finished off with ice cream donated by the Granite State Dairy Council. Only 200 tickets will be sold; they can be purchased at the Fire Station either before hand or on the day of. Cost of ticket is \$9.00 call 267-8333 for more information. Hope to see you there!!

"August rushes by like desert rainfall,  
A flood of frenzied upheaval,  
Expected,  
But still catching me unprepared.  
Like a matchflame  
Bursting on the scene,  
Heat and haze of crimson sunsets.  
Like a dream  
Of moon and dark barely recalled,  
A moment,  
Shadows caught in a blink.  
Like a quick kiss;  
One wishes for more  
But it suddenly turns to leave,  
Dragging summer away."

August 13<sup>th</sup> is Left Handers Day

The purpose of this Community Newsletter is to keep all of you informed about Community events taking place in Belmont or surrounding Towns. If you know of an event or have some news to share please let us know so we can include the information in our upcoming newsletters. You can reach us by e-mail at [trusso@belmontnh.org](mailto:trusso@belmontnh.org) or by phone at 267-8300. If you would like to be added to our electronic mailing list please let us know. We would love to hear from you! Please be sure to post the community calendar on your refrigerator so you don't miss anything! All news will be subject to approval by the Town Administrator.

"We are all flowers in the garden of the world.  
Some of us are daisy's dainty and bright.  
Some of us are poppy's, with sweet contagious  
laughter.  
If there was a flower for you,  
You'd be a wild orchid,  
So full of life, colors alive,  
Sprinkled with scarlet and purple,  
Explosions of colors racing through your petals."

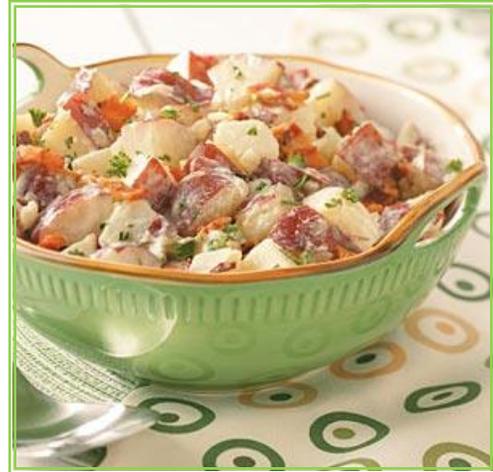

# Monthly Recipe

## Bacon Potato Salad Recipe [www.tasteofhome.com](http://www.tasteofhome.com)

### Ingredients

- 4 cups cubed red potatoes
- 1 cup chopped onion
- 7 bacon strips, cooked and crumbled
- 2 tablespoons minced fresh parsley
- 1-1/3 cups mayonnaise
- 3 tablespoons grated Parmesan cheese
- 3 tablespoons prepared ranch salad dressing
- 2 tablespoons prepared mustard
- 4 teaspoons white vinegar
- 1/2 teaspoon minced garlic
- 1/4 teaspoon salt
- 1/4 teaspoon pepper

### Directions

- Place potatoes in a large saucepan and cover with water. Bring to a boil. Reduce heat; cover and cook for 10-15 minutes or until tender. Drain.
- In a large bowl, combine the potatoes, onion, bacon and parsley. In a small bowl, combine the remaining ingredients. Pour over potato mixture; toss to coat. Refrigerate for 1 hour or until chilled. **Yield:** 8 servings.

### Blueberry Crisp Recipe

#### Ingredients:

- 1 C. fresh or frozen blueberries, thawed
- 4 tsp. sugar
- 2 tsp. lemon juice
- 1-1/2 tsp. cornstarch

#### Topping:

- 2 Tbs. All-purpose flour
- 2 Tbs. Quick-cooking oats
- 2 Tbs. brown sugar
- Dash ground cinnamon
- 2 Tbs. Butter
- 2 Tbs. Chopped pecans
- Whipped Topping, Optional

Directions: In a small bowl, combine the blueberries, sugar, lemon juice and cornstarch. Transfer to 2 10 oz. ramekins or custard cups coated with cooking spray. For topping, in a small bowl combine flour, oats, brown sugar, and cinnamon. Cut in butter until mixture resembles coarse crumbs. Stir in pecans. Sprinkle over fruit mixture. Bake at 375° for 15-20 minutes or until topping is golden brown and fruit is tender. Serve warm with whipped cream if desired.
