November 2013

Town Administrator's Monthly Report

IT is the LAW! (RSA 466:31 II (c))

We would like to remind all Dog Owners of the importance of picking up your dog's waste from property not your own. The town installed at two different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

Awesome Volunteers!

We would like to thank the incredible volunteer efforts of Woody Fogg and Ken Knowlton who worked tirelessly this past two weeks with Mark Roberts and family of Leslie E. Roberts LLC to move a covered footbridge from the City of Dover to the Town of Belmont. Without these individuals and the professional expertise of Mark and his family, this project would not have come to fruition. Volunteers and donations are still needed to continue to move this project forward; we anticipate the first section of bridge to be placed in the spring behind the Belmont Mill.

Photos Courtesy of Ken Knowlton, Chairman, Belmont Conservation Commission

The Budget Committee will begin meeting on **Tuesday, November 5, 2013 at 6:30 p.m.** in the upstairs meeting room of the Corner Meeting House. Following the meeting on November 5th, a copy of the proposed 2014 budget will be made (continued)

Town Administrator News (cont.) & Planning/Zoning News

available on the Town's website @ www.belmontnh.org.

Data collection has begun for the 2014 property revaluation. The Board of Selectmen at their meeting January 7, 2013 voted to contract with Commeford, Neider & Perkins to begin the process of Data Verification, which will include measuring & listing every property, for the 2014 State mandated revaluation. Beginning immediately employees of Commeford, Neider & Perkins will be in town for 2013/2014, for this purpose. Questions or concerns regarding the process should be directed to Assessing@belmontnh.org or by calling 603-267-8300 Ext. 18. Your cooperation in allowing the measure and listing staff into your home will assist the Town in assuring a quality revaluation project is completed. Information collected in 2013 will not be reflected on your property record card until 2014 unless you had obtained a building permit between April 1, 2012 and March 31, 2013.

The Town of Belmont is a member of the Lakes Region Cable Television Consortium which has been meeting since early summer 2011 relative to our Cable TV Franchise Agreement with Metrocast which is due to expire in December 2013. It is anticipated that the Town will hold a Public Hearing on the proposed new agreement later this fall.

Water Consumer Confidence Reports have been mailed and a copy of the report has been posted on the Town's website at www.belmontnh.org, and a copy is posted at Town Hall.

We would like to remind residents/taxpayers that recycling bins are available at Town Hall so if you haven't picked up your bins (2 per household), please stop by Town Hall.

Planning Board:

On October 28th, the Planning Board held a public hearing on the proposed 2014-2019 Capital Improvement Plan. This plan is a multi-year schedule for capital expenditures defined as projects costing in excess of \$25,000 with a useful life of at least one year. At the close of the public hearing, the Board adopted the CIP as proposed. The CIP has been provided to the Selectmen and Budget Committee for their consideration during the upcoming 2014 budget season.

At their meeting on October 28th, the Board also approved a Site Plan application for Foley Oil to expand an existing commercial building for the purposes of truck bays and office space on property located at 39 Old State Road.

The Planning Board has begun consideration of zoning amendments to be presented to the voters in March. Suggestions for amendments can be submitted in writing to the Board at any time, but should be in no later than November 18th for the Board's consideration for the 2014 Town Meeting. Petition Zoning amendments are accepted in the Selectmen's office during regular business hours from November 11th through December 11th. Assistance in drafting a proposal can be obtained in the Land Use Office.

Zoning Board:

At their meeting on October 23rd, the Zoning Board approved two variances for Donna & Michael Iacopucci for the construction of an addition to a single family dwelling on property located at 69 Tucker Shore Road.

Land Use Staff Quick Notes:

The 2013 tax maps are now available. The maps are updated annually based on known changes in properties including activities such as subdivisions, mergers, surveys and boundary line adjustments.

Winnisquam Self-Storage has commenced construction of a 20,000+sf addition to their existing facility! The expansion will contain climate controlled space. A welcome addition to the community.

Contact the Land Use Office at landuse@belmontnh.org or 267-8300x19 for assistance or additional information on any land use matter.

Conservation Commission News

The Belmont Village Rail Spur Trail

In July 2011, a generous benefactor gave to Belmont the parcels of land that once made up the old Tilton & Belmont Branch Railroad on which to place a recreation trail. The land extends from the Depot Street bridge over the Tioga River in the Village, crosses South Road at the Corliss farm and continues to the Coca-Cola plant on Depot Street. One deficiency that currently exists is at the location of a former trestle, long since gone, a significant gap that needs a bridge.

The Belmont Village Rail Spur Trail

Soon after the land was donated, the Conservation Commission investigated getting a bridge to span the gap with little success. This past summer, Dover advertised that they had a foot bridge that was no longer needed. CC Chairman Ken Knowlton and Woody Fogg investigated the logistics of acquiring it and then transporting it to Belmont. Hoyle Tanner Associates is currently doing the necessary engineering work to use the 150' bridge that was constructed in three sections to span two river crossings.

Pre - Move

K. Knowlton

Tucked in for Winter

K. Knowlton

Mark Roberts and his crew and some intrepid volunteers recently made the trips to Dover to disassemble and transport the bridge to the Belmont Public Works property where it awaits placement in Summer 2014. We will update you as this project moves forward.

Fire Department News

Meet the Students

Hello my name is Donald Maffee I have lived in Nashua my whole life, graduated from Nashua High School South in 2012. I have an older brother who is a year older than me who goes to PSU. Growing up I played baseball and football and played them all the way up through high school. In all honesty I didn't have a clue on what I wanted to do after high school until my senior year I decided that I wanted to become a firefighter. I applied here for the live in student spot but did not get it at first. After the new student left I asked if I could move in as the other live-in student and was granted that permission and here I am today as a second year student.

The biggest thing I wanted to get out of this program was to see if I liked it enough to decide if that's what I wanted to do for the rest of my life. I learned after only being here a couple of days that I did want to pursue this as a career. I also want to get the hands on part of real life training out of this program. Another thing that I wanted to get out of this program was the help to further my career and be able to apply for a job right after I graduate. I hope to have the advantage over someone when apply for a job because of the live-in student on my application. I hope that because of the experience and knowledge that I have gotten here.

Hello my name is Kevin Hatfield I am twenty years old and can't say I have any complaints of life so far, it's been a real exciting journey so far. My greatest accomplishment I've endure was my big leap of weight lost, in high school I was a big boy weighing two hundred eighty-nine pounds, very shy and kept to myself. It wasn't till I graduated where I broke out of my shell and grew up, after eight long months of hard work and eating just right I was able to lose one hundred ten pounds and lost eight inches off my waist. Growing up in Nashua I always saw my dad going into fires and saving lives and I knew I wanted to do the same and be the hero. But as I got older I became lazier and ate terribly, so then I decided to get into cooking for a little while as I was living in Seekonk Massachusetts. It wasn't until I accomplish my weight loss that I decided to go back into my first career choice of firefighting, and couldn't have been happier to decide to get back into it. I don't have any certifications as of right now but look forward into getting as many as I can before school is over. What I hope to get out of the Belmont Fire Departments student program is to be able to live the firefighter's life style and learn each part of the job I will need to know, everything and anything about all the apparatus we have here, EMT training, and as well as fighting fire because that's what we are all here for. I especially like living in the station preferred then on my own because all the fellow firefighters here are extremely helpful with learning bookwork from the college classes to hands on training like hose mazes and climbing the tower truck and overcoming my uncomfortable fear of heights, but now you don't need to ask me twice to get up there. I look forward to taking my EMT class and also my Fire One just because I know if I ever need help or have a question I can always go to any of the firefighters and be taught the right way and even little short cuts to understanding what exactly they mean in the book. It truly is a lot more helpful having the tutors living right here in the station, but I cannot wait to further my knowledge of the fire service and look forward to this year.

My name is Kenneth Richard. I am one of two of the freshman that started this year as a live-in student at Belmont Fire Department. When I was in high school I had originally planned to go into the United States Coast Guard under the Search and Rescue division, until the winter of 2012. This is when I joined the fire explorers in my hometown, and it was at that point that I realized that the emergency medical services, was what I really wanted to do with my life. During my senior year of high school I applied to Belmont Fire Department for the position of a live-in student. Belmont was the only fire department that I applied for because it was the place I really wanted to be, due to the amount of knowledge and experience that I would gain from a place with such a high level of student success. So I am here at Belmont

Fire Department with the exact position that I originally hoped to achieve. Now, I am attending Lakes Region Community College to get an associate's degree in Fire Science, then once I have graduated from LRCC I plan to attend either New Hampshire Technical Institute or Elliot Hospital in hopes to become a paramedic. Those are the two main objectives I plan on accomplishing in my career, then along the way I am going to try to achieve certifications in lots of other things such as diving, wildland fire fighting, and licenses such as a commercial driver's license. I will be doing all this in hopes to one day get a full-time position on a fire department to start my life as a fire fighter/paramedic, and never quit serving the public until the day I retire.

Parks & Recreation News

November 2013

Beginning on **November 4th** the Belmont Parks & Recreation office will be located on the 2nd floor of the Belmont Mill.

Please note the following changes:

NEW physical address: 14 Mill Street, 2nd Floor, Belmont, NH

SAME mailing address: PO Box 310, Belmont, NH 03220

NEW phone number: (603) 267-1865.

There will be a drop box located outside the rear entrance of the Belmont Mill for after hour drop off of forms. Office hours are 8:30AM—4:00PM Monday through Thursday, and vary due to weekend and evening programming.

Belmont Parks & Recreation

3rd—6th Grade Basketball Travel Teams

Belmont Parks & Recreation is fielding 3rd to 6th grade boys and girls recreation teams to play in the Franklin, Sanbornton, Newfound, St. Paul's, Gilford, The Pines, Andover, and Laconia league. The recreational league averages two games per week, one on a week night and the other on Saturdays. Practices days and times have not been set, we plan to have at least one practice per week with the days to be determined. Our season will start the beginning of December with games starting mid December, the season ends in February. Games will be both home and away with travel required to the gym of the home team. We plan to have a boys and girls team for 3rd and 4th graders and the same for 5th and 6th graders and will offer a co-ed team only if the numbers require it. We may use assessments if we have enough players for two or more teams for each group to create equal teams. In addition to the games the league hosts an end of season tournament where each town pares down their teams to **one** all star team for each age group for the tournament. Belmont players would be chosen for this team based on team play during the regular season, only a few players will be placed on the tournament team. Not all players who join the program will be participating in the tournament. **Coaches will be needed for the program, if you're interested please contact Belmont Parks and Recreation.**

The registration fee for the program is \$40.00 per child which includes a t-shirt that must be worn for all games. **Registration forms, located on our website, must be turned in no later than Wednesday, November 13th for a player to be placed on a team.** Any players registered after November 13th will be wait-listed until there is an opening on a team.

Belmont Parks & Recreation

Gunstock Ski & Snowboard
5 Week Outreach Program

Outreach Program: Sundays

\$115—Belmont Residents with own equipment

\$125—Non-Residents with own equipment

Chaperones are needed and are FREE!

Rental packages are available, see the Rental Information Packet

Participants must be in Kindergarten through 12th grade or the parents or guardians of the participant. We usually have groups of 3-4 for the younger children and up to 7 in a group for older children. Children are grouped by ski level. A student in 8th-12th grade will be allowed to ski with at least 1 friend (also enrolled in the program), and will be required to check in with a chaperone periodically. Parents can supervise their own children if a chaperone is not needed. The Belmont Parks & Recreation supervised program is on Sundays from 12:00 PM-4:00 PM. Any participant with adult supervision can arrive at 9:00 AM and receive their lift ticket prior to the program start time for independent skiing or snowboarding. Parents or guardians of participants can participate with their children for the same program fee provided a chaperone is NOT required. Chaperone's will be needed for this program and if selected will ski or board for FREE! Non-skiing chaperones are also needed for the program to

The deadline to register for this program is Tuesday, November 5, 2013.

- ◆ RTS Bus Service will be the same. Wednesday & Thursday
- ◆ Regular Scheduled Activities Tuesday-Friday.

Director's Desk

*Happy Thanksgiving Everyone!!! November is so full of wonderful memories for me. Sleeping at my Grandparents home in the feather bed, making apple and pumpkin pies, the smell of turkey in the oven...I love the preparations and the sharing of family and friends around the Thanksgiving table. My Grandmother was a cook. She worked in restaurants all her life and had people come thousands of miles to have coffee and a piece of her pie...she could even make raisins into a pie and it was delicious. She and my Grandfather were farmers and it was always so much fun to visit them on the farm. Fishing, milking cows, tending the orchard, the gardens and the animals was a wonderful treasure. I learned to ride horses on that farm and found a passion that I hadn't realized existed in me. I rode for many years and when I went away to college I enlisted the help of my pastor to find me a farm and horses to ride in exchange for counting cattle and exercising about 6 horses. Those were wonderful years. Memories are a wonderful treasure. My favorite rides were on cool crisp autumn days with a light mist falling. I hope that you are enjoying this short journey into winter and if you get a chance, I hope you can stop over for a hot lunch and some wonderful company. We always have hot coffee and might even have some pie on hand on some of the days.
Happy Autumn!!! Happy Thanksgiving!!!! Brenda*

*Foot Clinic: Now taking reservations for November.. Our Clinic is held the 2nd Tuesday of even numbered months. Maddy is the RN who runs our clinic...she is great. Call 267-9867 for your reservation. A \$15.00 donation is suggested.

Library News

New Director!

Hello! I am delighted to join the staff of the Belmont Public Library as the new Director. My name is Becky Albert and I've been a librarian for 25 years. Most recently I served as the Director of the Library at Tilton School, and before that I worked for the NH State Library. I am looking forward to sharing my love of books, movies and lifelong learning with the residents of Belmont. Please share with me your ideas for any programs, services, or materials that the library could offer to the town. Or just come in to say "Hi!".

Crafternoon!

Call or check our website for the date and time of our next "Crafternoon" which will feature winter holiday/new year cards!

Storytimes

Storytime is on Wednesday mornings at 10:30 a.m. Jenny will be doing "ABC Storytime." Each week will feature a different letter of the alphabet! Come join the adventure!

Lego Club

The Belmont Public Library's next Lego club meeting will be held on Saturday, November 2, from 10:30 to noon. Children ages 5 and up are encouraged to bring their imagination and create a "Choose Your Own Theme" project. Next month's meeting will be on Saturday, December 5, from 10:30 to noon, and the theme will be: "Winter Holiday." The Library will provide all children with Legos to build, and finished pieces will be put on display in the Children's room. Sign up is not required and late arrivals are always welcome.

Book Group

The book for November is **Little Princes: One Man's Promise to Bring Home the Lost Children of Nepal** by Conor Grennan. The group will meet on Tuesday, November 26 at 7:00 pm in the library. All are welcome to join the group; call the library if you would like to reserve a copy of the book.

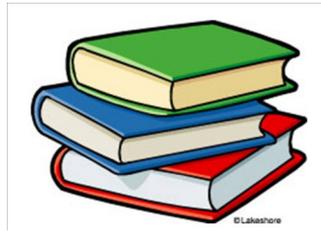

Library News (cont.)

Trustees Meeting

The monthly meeting of the Trustees of the Belmont Public Library will be held on Tuesday November 12 at 6:30 pm in the library.

Town Clerk/Tax Collector News

Greetings citizens of Belmont!!

November is here and we all know what that means... Tax bills are coming out.

FYI ... The July tax bill is an estimated tax bill and is half of both installments of the previous year. The December tax bill is your actual tax bill. We have to wait until the state sets the tax rate for the town. Any adjustments that are needed are applied to the second installment.

After the bills are sent out, you will have 30 days to pay with no penalties. We do honor postmarks. Be sure to keep an eye on the mailbox as we will be generating the second installment as soon as we receive the tax rate from the state. Also, please keep in mind that we are not allowed to accept overpayments on the December tax bill. The town is not authorized for prepayment of taxes, which means that any credit balances on accounts as of December 31st will be refunded to the payee.

We've had a lot of residents ask about abatements. You have to wait until after the December tax bill is received and then you can request the forms from the assessing office.

Considering this busy time of year ... remember that you can pay your tax bill online at our website, www.Belmontnh.org

We hope you have a Happy Thanksgiving!

Community Heritage Awards

PHOTO: Heritage Commission

Honorees, from left, standing were **Recardo Segalini**, accepting for his **Crew** and the **Busby Construction Company** for outstanding service and work on the Village Revitalization project; **Diane Cleveland** and **Judy Hayes**, Troop Leaders, representing all of the **Belmont Girl Scouts**; and **Cindy Rolfe**, cited with her husband **Joseph** for preserving agricultural traditions with their restoration of the historic **Rolfe Farm**, including its 1860s post and beam barn and cupola, extensive stone walls and reclaiming pasture lands for apple orchards. Selectboard Vice Chairman Ruth Mooney, with Chairman Ronald Cormier and Jon Pike added their official congratulations.

Also celebrating Girl Scout accomplishments as exemplary youth volunteers were, front row, from left, **Kelly Hayes**, **Anna Peters** and **Kyleigh Peters**.

Community Heritage Awards were created in 2011 by the Heritage Commission to promote Belmont excellence and contributions, from citizens, businesses and community organizations. They are presented annually with the Board of Selectmen, marking New Hampshire History Week, celebrated this year October 13-19. Award certificates feature a photograph of the 1833 Belmont Mill bell tower -- with angles and image now prominent in the new Town logo, signage and Police Department emblems.

At the same BOS meeting, Priscilla Annis - a Factory Village District resident and proud owner of a "restoration in progress" historic Main Street home, was appointed to the Heritage Commission, along with reappointment of Wallace Rhodes, both with terms until 2015. Other current members include Linda Frawley, Shayne Duggan, Alyce Jewell and Ronald Cormier, representing Selectmen.

The Heritage Commission welcomes interest, questions and other volunteers for a range of interesting activities and projects. Contact any member or email belmonthistory@gmail.com

BHS Holiday Fair

PLEASE JOIN US AT THE 7TH ANNUAL HOLIDAY FAIR AT BELMONT HIGH SCHOOL ON SATURDAY, NOVEMBER 9TH!

Members of the Belmont High School (BHS) Future Business Leaders of America (FBLA) have been busy at work preparing for the Seventh Annual Holiday Fair, to be held at BHS on Saturday, November 9th from 9am to 3pm. The fair will include over 100 vendors, filling the gym, cafeteria, and band room, and offering a wide variety of handmade and holiday crafts and gifts. Breakfast, lunch, and snacks will be offered throughout the day by the FBLA, the French Club, and the Booster Club, including bagels, soups, chowders, chili, quiches, desserts and more! A raffle including hand-crafted items, donations and gift certificates from local businesses will also be held throughout the day. Please come join the fun as the members of FBLA prepare for an exciting holiday season!

The BHS PTO will be hosting Santa's Secret Shopping Experience where children and students will be able to do SECRET holiday shopping for those very special gifts for family members and friends. Children will leave with special heart-warming wrapped gifts for holiday surprises...and they will be grinning ear to ear when their special gifts are unwrapped during the holidays!

FBLA will be collecting food and monetary donations for the Mix 94.1 Cash-N-Cans drive during the fair to benefit families in the Lakes Region during the holiday season. The Food Pantry at St. Joseph's Church in Belmont is a beneficiary of this program. Also, a portion of fair proceeds will be donated to other local charities for the holidays.

For additional information or to get involved with the Holiday Fair, please contact Ben Hill at Belmont High School (bhill@sau80.org or 267-6525 x211). Anyone wishing to donate food items or raffle items can contact Mr. Hill, and they will be recognized at the entrance to the fair for their generous support of the students and the event. We look forward to seeing you there!
