Parents & Guardians,

The Belmont Summer Camp Program will run for 7 weeks, starting June 26th and ending on August 11th. You are welcome to sign up for any or all of the weeks. **Please print** all the information on the registration form. If you are unable to fill in any section of the form please take it with you and either mail or email it back **no later than April 26, 2017**. We require the front and back of the registration form and the permission slip form for each counselor in training. Sign **ONLY** the ones you are granting permission for. The swim level **MUST** be filled in and signed.

We will be scheduling interviews with the counselor in training applicants to explain the program and for the candidate to ask any questions they might have. The interview is also beneficial in preparing candidates should they decide to apply for a camp counselor position in the future. If confirmed we call to advise the candidate and send a confirmation packet with the weeks of participation listed. We count on the counselors in training so please let us know as early as possible if she/he is unable to attend any of the weeks that have been confirmed. The counselor in training program requires participants to do a full week at camp, approved in advance vacation days are the exception. The expectations of a counselor in training is to follow instructions and be of assistance to our campers and staff.

Counselors in training can be dropped off from 7:30AM-8:00AM, picked up 4:00PM-4:30PM. If a Counselor in Training needs to stay until 5:00PM it will be free of charge provided we have campers also in the extended program.

Our summer camp calendar is always subject to change based on weather and conditions at the venue. On amusement trip days we will return to the school very close to 4:30PM (weather and traffic permitting).
