SIMPLE AS 1..2..3..

1. In the fall, select a package and pay an upfront lease fee (which is a fraction of the purchase price of the same equipment.) We won't take a security deposit. We simply ask for your credit card number to hold. If you honor the terms of the lease we will destroy your credit card receipt. After all, it's your money you keep it!
2. Lease in person: Come on down to Mountainside Outfitters at Gunstock Mountain Resort. Let our highly trained and certified staff prepare your equipment for the best and safest fit for you.
3. At the end of the season, return your equipment to the Mountainside Outfitters. Or, if you simply loved the stuff too much to give it up, opt in for our Buyout Option to purchase your equipment at extremely affordable prices.

Spend the summer dreaming of endless powder and revel in the knowledge that next year's equipment, perfectly sized and perfectly maintained, will be ready and waiting. Reserve a set early and rest up for another great season on the mountain!
