That Official shall forthwith transmit to the Zoning Board all the papers constituting the record upon which the action appealed from was taken.
8. Completed application packets shall be delivered during regular business hours to the Land Use Office where the application shall be date-stamped upon receipt. Applications for Appeal of Administrative Decision taken under RSA 676:5 shall be filed within 20 clear calendar days of the decision. **PLEASE NOTE:** The Board will first act to accept or deny jurisdiction over the application. If the Board accepts jurisdiction, a date, time and place will be set for the public hearing and notice will be sent to the Applicant and all other necessary individuals. The Town will publish notice of the meeting in a newspaper of general circulation.

Board members and/or staff may view the site. The site must be clearly marked with the 911 street address to facilitate inspection. Applicants are cautioned not to discuss the merits of the application with Board members who view the site.

An application for appeal of administrative decision shall result in the status quo as to the use of the subject land being preserved. Any permit that is the subject of the appeal is deemed suspended and no construction or change of use can begin except to avoid imminent peril to life, health, safety, property or the environment. Such suspension shall not continue for subsequent appeals to Superior Court except by specific Court order.

You or your representative must attend the Zoning Board public hearing. If no one is present at the meeting to present your appeal, it will be denied without prejudice and must be resubmitted. Decisions are usually rendered by the Board at the same meeting at which the public hearing is held. In some instances, decisions may be made at a later date. The findings of the Board will be forwarded to the Applicant.

In the instance where a full five-member voting Board cannot be seated for the public hearing, the chair will offer the applicant the opportunity to proceed with a reduced Board, or to have the hearing postponed until the next regular meeting date, with the understanding that an affirmative vote of three members is required to decide in favor of any appeal and that action by a reduced Board is not, in and of itself, grounds for a rehearing.

At the public hearing the Applicant or his/her representative shall present the petition. Following this, those wishing to speak in favor or in opposition may do so. All comments must be directed to the Chair. Everyone rising to address the Chair shall identify himself or herself, giving his or her name and address.

The Board has the authority to reverse or affirm any administrative decision in whole or in part. It may modify the decision and may make such decision as ought to be made and, to that end, shall have all the powers of the administrative official from whom the appeal is taken. Reasons are given for all decisions of the Board.

If the Board wishes to wait to make a decision, the Applicant will be notified. Decisions will be announced by the

Chair at the time they are made, with a copy mailed to the Applicant. For additional information, see ZBA Rules Rules of Administrative Procedure. Any party affected by the decision of the Board has the right to appeal. Please refer to the Ordinance, RSA's or contact the Land Use Office for further information
